CORNICOPIA OF GRATITUDE (AND PIE)

As we gather this season, the Academy at Glengary and the Academy at Bradenton reflect on the many reasons we have to be thankful. Across both campuses, the unwavering support of our community, the dedication of our members, and the daily acts of kindness shared in our work-ordered day remind us of the strength and spirit that unite us. From Glengary's long-standing traditions to Bradenton's vibrant growth, each location brings something uniquely meaningful to our shared mission. Together, we celebrate progress, collaboration, and the individual contributions that make our spaces feel like home. Here are a few words from our members and staff about what they are most grateful for this year:
